

75 Wine Co. Cabernet Sauvignon California - USA 2013

Articulating a sense of place in every bottle, Seventy-Five Wine Company revels in expressing California wine country's sun, earth and abundance. The wines reveal a history of care and craftsmanship that begins in the vineyard.

This is the vision of long time Napa Valley resident and member of the iconic Beckstoffer family, Tuck Beckstoffer. Having grown up and honed his skills around some of the most talented vineyard managers and winemakers in the world, The Seventy Five Wine Company draws on a great foundation of inspiration, and was created as a conscious reflection of Tuck's personal belief in and commitment to the production of high quality, reasonably priced wines from the Napa Valley -- his home since 1975.

The Seventy-Five Wine Co. provides historic connection to the vineyards of northern California, and deep roots in the wine world. Tuck knows that it is possible to produce great wines, vintage over vintage, without breaking the bank. He is dedicated to pioneering change by producing premium wines of great distinction at reasonable prices.

Many found inspiration in 1975: Bill Gates founded Microsoft, Andrei Dmitrievich Sakharov was awarded the Nobel Prize for Peace, the first episode of Saturday Night Live debuted, and the Beckstoffer family set up shop in Napa Valley. The Seventy-Five Wine Company was founded to perpetuate and honor the inspiration of that landmark year.

An excellent value in Cabernet Sauvignon from the Beckstoffer family, this offering indicates that a higher potential for quality exists for 'value' Cabernet than previously believed. The Amber Knolls Vineyard in the Red Hills of Lake County remains the backbone of the wine but for the third consecutive year, three sites scattered throughout the Napa Valley add greater definition and lushness to the wine. 2013 is quickly becoming one the most lauded and anticipated vintages ever to come out of California and this wine is an example of the great wines produced during this spectacular vintage. This is a blend of estate vineyards from the Napa Valley floor, Mendocino's warmer sites and the red, volcanic soils of Lake County.

Tasting Notes

“ This exceptionally rich yet balanced Cabernet Sauvignon expresses wonderful dense aromas of ripe burnt early season cherries and scorched earth. The palate showcases classic notes of sweet black cherry, cassis and black raspberry. Tannins are beautifully integrated into this multidimensional, full-bodied yet wonderfully balanced wine. Finish is exceptional and lingering. This wine can certainly be enjoyed now but will only get better with age. ”
