2010 CABERNET SAUVIGNON

WINEMAKING NOTES

Intriguingly aromatic, this wine opens with bold notes of black raspberry, ripe black cherry, tobacco and the smoky toast of new French oak. A rich array of flavor follows ranging from blackberries and Mexican chocolate to cherry reduction sauce and even a hint of Herbs de Provence. The ripe, full fruit flavors are held in check by its moderate acidity and hearty tannins resulting in a beautifully balanced Cabernet Sauvignon with a toasty wood finish.

FOOD PAIRING

Pair this wonderful Napa Valley Cabernet Sauvignon with herb crusted rack of lamb, wild mushroom ravioli or chicken mole enchiladas.

OUR PHILOSOPHY

Don Sebastiani, Sr. learned about St. Thomas Aquinas in his studies and travels, and was inspired by the way that he brought together two dissident ideas, using scientific method to try to prove the existence of a "higher being." In much the same way, Don knew it was possible to bring together the idea of a classic, excellent Napa Valley wine with affordability and accessibility that most Napa wines lack. Wine should be a luxury that we can all afford, and the famed Napa Valley is no exception.
