ROCK & VINE

THREE RANCHES

The fruit was selected from three ranches located in: Solano County (60%), Mendocino County (31%) and Napa Valley (9%) that showcases why the North Coast AVA is the leader in California for growing Bordeaux varieties. The Solano County grapes highlight the rich and ripe black fruit flavors, while our Medocino grapes give the wine a nice backbone of acidity and spice component. Finally the Napa Valley grapes provide silky texture and ripe tannins to round out this superbly balanced wine.
